

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Regular Meeting

April 4, 1946  
10:30

Council Chamber, City Hall

The meeting was called to order, with Mayor Miller presiding.

Roll call

Present: Councilmen Alford, Bartholomew, Mayor Miller, and Councilman Wolf  
Absent: None

Present also: Guiton Morgan, City Manager; Trueman O'Quinn, City Attorney; J. E. Motheral, City Attorney; R. D. Thorp, Chief of Police.

Mrs. Beal Stone, 1810 Chicon Street, came before the Council regarding taxes on a piece of property she was contemplating purchasing, stating the taxes were more than the price on the property. The Mayor advised Mrs. Stone to contact the Tax Assessor and the City Manager, and they would work out something for her.

Pursuant to published notice thereof, the public hearing on the proposal of the City Council to amend the Zoning Ordinance in the following particulars:

- (1) To amend the USE designation of the following described property so as to change the same from "E" Heavy Industrial District and Third Height and Area District to "C-2" Commercial District and Third Height and Area District, to-wit:

Lot No. Eleven (11) and Lot No. Twelve (12),  
Outlot No. 12, Division "C", Plat 25-B, in  
the City of Austin, Travis County, Texas;

was duly opened at the appointed hour.

Mr. HORACE SHELTON, representing DOMENICO MILICIA; and MR. HAGE, LESSEE, appeared favoring this requested change. MR. THRASHER appeared in opposition for himself and also a negro EDGAR LEE, stating the approach to the City was dry; the rezoning would not add value to the property surrounding the location and that the negro had small children, and did not want this package store next door to him; and also that the Zoning Board had refused to grant this

change. Mayor Miller moved that in view of the fact Mr. Hage had other package stores, and since there was much opposition to package stores on the highways, and that there was opposition in the immediate territory, that the recommendation of the Zoning Board of Adjustment be adopted and that the change from "E" to "C-2" be NOT approved.
